Dear ServiceWise Electric Team:

We are so please on how responsive ServiceWise Electric was in helping the seller, whom we were representing, with their electrical updates to sell their Condominium. They provided a quote for the work that needed to be done and simultaneously explained thoroughly what needed to be done and why.

When the work was completed on time and expeditiously, their cost came in under the original quote. The home owner, the buyer and the buyer's agent were also pleased with the work that was done. Thank you for your professionalism, accuracy and excellence in your work. We have already recommended ServiceWise Electric to another client, who is selling their house and would recommend them again to others.

Sincerely,

*Valerie Brutti*
