We are so grateful for the great experience that was working with Hunter. He guided us through the entire process with so much patience and understanding. Hunter was proactive in communicating with all the parties involved, and his attention to detail and ability to guide us through the negotiation process was impressive. He was able to advocate for us and help identify opportunities to get the best deal that was a win-win for us and the seller.

We closed in 9 days! One would think closing in 9 days would be complicated, however, Hunter worked with our lender so closely that it was a very smooth process.

We definitely highly recommend him!
