Rob,

On behalf of Quest Wealth Advisors, I would like to thank you for your efforts and diligence in assisting us with the creation of the forms and worksheets that we use for tax preparation purposes. Due to your tremendous help, we will now be in a better position to assist our clients, especially our out-of-town clients, with their required data gathering efforts. The Adobe forms that you created will be implemented immediately.

I appreciate your willingness to prioritize this work and the assistance provided in troubleshooting the issues that we experienced, although they were not related to the forms you created.

Your combination of skills and proficiency in getting into the details are assets that I hope continue to serve you well.

Thanks again,
