Helping People Create Change Through Massage
September 7, 2005

Dear Terisha,

I walked into your office and you could have peeled me right off the ceiling. I'd had a very bad day, my cell phone had just been stolen with all of my client contact numbers and what can I say? My shoulders were tight, my jaws were clenched and my back was in knots from slumping in front of my computer all week long.

One hour later, the tension in my shoulders had disappeared, I could barely keep my eyes open and I was soooo relaxed that I could have cared less about my cell phone!

Thank you, Terisha, for one of the best massages I've had and I look forward to my next appointment....

Sincerely,
Jennifer Medina
