Patrick Ross, Payroll Specialist

Patrick is one of the most professional people I have met in many years. I was reviewing my payroll costs at the beginning of the year and felt like I was overpaying and had no loyalty to any local representative here in Atlanta. Like most business owners, the thought of switching payroll companies is worse than getting a major dental surgery and I was reluctant to make the switch, if not for Patrick.

Patrick made the onboarding process as smooth as any transaction could be and he saved me money each month. There were no hiccups along the way and no major time spent away from focus of generating revenue for my business.

Even better, Patrick's team is incredible. If I ever have a request, like this week where I needed to add a new employee. His support team got back to me within 5 minutes and had my new team member added to the payroll within a few hours.

I would highly recommend Patrick to any friend, colleague, or other business owner with zero hesitation.

Rather than major dental surgery, it felt more like a trip to the spa for a day. Thanks Patrick and team!!!

Sincerely,

Drew M Niess
