RE: Referral Letter for Deana Dalrymple, Hummingbird Graphics

To Whom It May Concern:

I am excited to share my recent experience with Deanna Dalrymple of Hummingbird Graphics. Within the last month, my husband had secured his logo for his ministry Marry the Vision. It happened that the logo was finished just prior to our 4th of July beach vacation. It was last minute, but I took a chance and reached out to Deana who had previously advertised her printed beach towels. Although it was a weekend & the notice was short, Deana committed to do her best to get the towels completed by the time we left for vacation. More importantly, she was so excited about helping me to bring Ron's Logo to life and seemed as happy about surprising him as I was.

Deana worked diligently with me throughout the week and the towels are amazing. My husband was so surprised and now he has actually chosen to use it as a banner to keep the vision before him. Thank you Deana for always going above and beyond to bring your customers logo's & ideas to life. I am appreciative of all of your expertise, the passion for your products but more importantly the people and ideas you know they represent.

I would recommend Deana to any individual or business owner who is looking for creative and unique ways to bring your product to market. Deana is someone you want to know and work with to help you purchase the perfect personalized and unique gifts or take your business to the next level!!

Sincerely,

Denise Harris-Jutze
