Dear Samantha,

Thank you for all the artful and engaging posts you have created for me on my Facebook and Instagram feeds! Your writing is top-notch. You immediately understood my brand, incorporating appealing calls-to-action that made it easy for people to connect with my business.

Not only have you given my social media much needed new life—with regularly scheduled and more frequent posts—you were physically there to help me document my Business Portraits special. The BTS video you took along with the participant interview provided much needed reels for my IG. I cannot tell you how much that meant to me.

Working with you is super easy. And I appreciate all that you do.

My Best Always,
