To Whom It May Concern:

I have been a client of Terisha's for a while now and I would not trade her for anything! She is the BEST!! I see her for tension in my shoulder and neck due to poor posture from holding my kids. After leaving her office I feel so much better. She is great at customizing her massage to your individual needs. I have never been to a therapist that truly cares like she does.

Terisha's massage room is always very peaceful and relaxing. She explains what muscles she's working on and makes sure you are comfortable.

Afterwards, she always takes time to teach me better ways to hold my kids and help with my posture. I always look forward to the time I get to spend with Terisha. Thank you for the best massages ever. I could not live without you.

Sincerely,

Emily Federico
