James,

Thank you so much for the great job you did with the carpet cleaning and repairs at my home. Your company, Breathe E-Z air duct and carpet cleaning, really impressed me with the professionalism and attention to detail provided.

From the moment we scheduled the appointment, you were friendly and accommodating. You took the time to explain the process and answer my questions. When you arrived at my home, you were efficient and knowledgeable, and you were very thorough with your explanations about my options regarding my carpet, which I appreciated.

The results of the cleaning and repairs were fantastic. The carpets look and smell much better, and the repairs you made were very well done. I appreciate the care you took to ensure everything was done right.
