

Mimi McCain, Managing Partner
Ganek PC
675 N. Highland Ave Suite 800

I want to take a moment to praise Mimi McCain of Ganek PC. Mimi is a real estate closing attorney and the managing partner of the firm's Poncey Highland office.

When I first entered into a career in real estate, I already knew Mimi socially. We had met through friends and she reached out to congratulate me on entering the business. We had a business lunch shortly after and the information she shared with me was incredibly useful and helpful to my new career. It seemed like a no-brainer to close transactions with someone so familiar, helpful, and knowledgeable.

Over the course of then next several years, Mimi closed hundreds of transactions for me and my team, seamlessly and painlessly. In fact, it wasn't until a few bad experiences with other closing attorneys that I realized just how amazing Mimi and her team is.

Now, more than a dozen years later, Mimi is my top choice for real estate closings and I can't say enough good things about her amazing team. If you are considering closing a residential or commercial real estate transaction, look no further. For a closing without pain, send it to McCain!

With my very best regards,
