One Step Ahead Flooring

I am so glad you are part of our 30305 Buckhead PowerCore Team!

As the realtor on this team, having you as a trusted, dedicated, ambitious member of the group truly makes my job a whole lot easier. My clients, friends, neighbors, and co-workers are always asking for referrals to home contractors, and you are The One.

Last month I asked you to help me with the installation of a couple of additional cabinets in my kitchen. I wanted to rest assured each night knowing that the cabinets were installed properly. Every morning now when I walk into my kitchen, I get a big smile on my face because it's so exciting to have those new cabinets, and to know they are perfectly and squarely installed.

Thank you again Kevin, and I always look forward to happily referring you with confidence. You always make me look good.
