Dear Norm,

Subject: Commitment and Performance

I would like to thank you for the truly professional experience I had in marketing my home with your help. You have a very professional approach that is rare in any field. When you make commitments, they are very specific, clearly communicated and actually delivered. Your presentation is first class. I found that your listening skills were excellent and you understood and worked to meet the needs of both parties. I was very impressed and would recommend you to any associate. Thank you so much for making this a pleasant experience.

I look forward to working with you in the future,

Louis C. Guerra
