

To whom it may concern,

If you are looking to find a solution to your clients' mortgage needs, I would highly recommend engaging in a conversation with and selecting Melissa Graham. Her dedication to doing the utmost for clients was apparent from the moment I met her and she has a knack for finding creative solutions.

My client was in need of a solution that would allow him to retain access to his house equity while he paid down his mortgage aggressively, all while minimizing the interest along the way. Through Melissa's council and coordination, he was able to obtain the solution perfect for his needs and implement within weeks. A simple solution for a complex problem.

There is never a perfect one-size-fits-all product, especially in the mortgage industry. But Melissa is the perfect fit for a client you may have who needs that extra attention and communication to feel special and get a world class experience along the way. I am ever grateful that she treated my client like gold and made me look like a star.
