Dear Heather,

I wanted to thank you for taking care of my referral, Ryan Reavis at the Reavis Law Firm. I remember the day Ryan sat down with me for advice on starting his own practice. I told him, "Do your job, treat people with respect, and return their phone calls and you will be ahead of 95% of the businesses out there! You will do fine." I have been able to watch his practice grow and impact Atlanta lives ever since.

That initial conversation took place 8 years ago and today Ryan's firm needed that boost to get them through their next stage of growth. It was then that I knew Reavis Law Firm and MindMeld Marketing needed to be united. Ryan had all the expertise he needed to run the internals of his firm and he always has been an extraordinary lawyer, but new clients were not going to find out about Ryan without strategic marketing and that strategic marketing was not going to come from within the firm.

You guys have been instrumental in helping Reavis Law Firm be properly positioned to be noticed by the right clients.

Given that Ryan is a childhood family friend, this was a very important referral, but knowing the expertise and ability of you, Katie, and MindMeld, it was an easy referral.

Thank you so much!
