Dear Gregory,

I am writing to thank you for helping a friend I recently referred to you. He was dealing with a family law matter and was uncertain about the best way to proceed. I encouraged him to talk with you and you set up a call right away.

My friend was so relieved after your conversation. He told me that you listened to his concerns, asked good questions, and provided your honest opinion of the situation as well as his best options for moving forward. He appreciated that you did not encourage an aggressive litigation strategy when his goals could be met through less expensive – and less stressful – means.

I've had the opportunity to refer several people to you in the past and I consistently hear good things. You will absolutely remain on the short-list of attorneys I refer when someone asks me for a family law attorney.

With Appreciation,

A handwritten signature in black ink that reads 'Katherine Moore' in a cursive script.
