Dear Kelly,

Thank you for being your amazing self!

I've known and referred you for roughly a decade now, and I've mentioned you several times to my boss as a source to take care of our company's payroll. Until this past year, payroll was handled internally.

Then one day he called me and said he was switching payroll to just once a month to cut down on internal tasks needing to be done on a regular basis. Again, I suggested he contact you. I gave him your number, and he called you immediately. Within 15 minutes, he texted me back saying you knew your industry and we were signing up.

The rest is history... we've been with Corporate Payroll Services for over a year now. Everything has been super smooth! My boss no longer handles payroll freeing up his time. He's even thanked me on two separate occasions for referring you.

I knew you would be great... I just needed to get him to call you. Thanks for being your awesome self and making me look great too. I look forward to the next time I can refer you!

Sincerely,

A handwritten signature in blue ink that reads 'Clay Jeffreys'.
