**To Whom It May Concern,**

This letter is in reference to the incredible service and care I have been privileged to receive by Dr. Kenny Strack at Strack Chiropractic.

Dr. Kenny's services have been extremely near and dear to my family. Myself, my son, and my daughter have been in separate car accidents, leaving us all deeply in need of realignment and progressive rehabilitation.

Due to the severity of my accident specifically, I suffered from chronic migraines that were nearly unbearable. I felt like I was barely able to function at times. Dr. Kenny uses a life-changing method of chiropractic care called "active release" that was a GAME-CHANGER for me. Since I was 19 years old I have been under chiropractic care, and truly, I have never experienced such noticeable levels of healing and health as I have received from Strack Chiropractic.

Because of his impeccable care to myself and my family, as well as countless clients, I give Dr. Kenny Strack my highest recommendation.

**Sincerely,**
