Are you looking for a caring insurance agent?

You do not look further than Drew Niess with Allstate Insurance Agency in Buckhead.

Drew Niess is looking out for you 24/7/365. You can phone him whenever you have issues, even when he is on vacation. Have you ever had that service before?

During the year his agency is also sending out information if it is something he thinks would benefit you.

Drew Niess sent us a driving course that he paid for and he offers it to those who do not even have insurance with his agency, for free. It is endorsed by the state of Georgia and gives you discount on your car insurance.

He is also very careful when he signs you up for the different services he offers. He asked us to cut down some limbs so that they will not fall on the roof. His agency follows all the rules and protocols to give you the best insurance for the best price. We saved over \$ 2,000 and got a better insurance packet than we had before. We had not heard from our insurance agent for years and the company switched on us again and again. This company was the one we had kept for 35 years. We have heard from Drew Niess several times during the time we have been with him.

Do you want an insurance agent who goes the extra mile – choose Drew Niess Allstate Agency in Buckhead.
