Tanner Takekawa

Mtak Roofing

Dear Tanner,

I just wanted to thank you for the great job on the roof repair to our storage room in our carport! We have had no leaks even in the worst of rain and wind storms!

Also, thank you for your professionalism with the clients I have referred to you! Each one has thanked me for referring you and then go onto say how knowledgeable, honest and professional they found you to be! And, of course, what a great job you do as well! You made me a hero as well!!!

Keep up the good work!

Sincerely,

Debbie Waldrep
