Dear PowerCore,

Over the years I have gotten to know Linda Loud both at our PowerCore meetings and collaborating with her regarding Mary Kay products.

She is great at what she does, and always takes wonderful care of her customers.

She is especially good at reaching out to the people who use her products to make sure they are working for their specific needs.

Now we know she is taking a leave of absence to walk the Appalachian Trail with her husband, Ken.

We will miss her!

Linda is a valuable member of our NorthPoint Team. In my business, we would call her a Key Person.

We want her back!

Thanks,

Curtis Turner
