Dear Cayce:

I wanted to thank you for your help in taking care of the details of my recent vacation. Being a seasoned traveler, I wasn't sure if I needed help with planning out the logistics of a trip, but you have convinced me otherwise.

It was great working with you as a partner in this trip. I would send some suggestions/ideas of what I was looking to do, and you would send back specifics. In one instance, you found what I was looking for, but recommended something else that turned out was a better idea.

You took care of booking our transfers, day trips, and more. I was even more impressed when I asked you about another part of the trip in which you recommended we book directly as we could get it cheaper that way. I appreciate your honesty and straightforwardness.

I enjoyed our time so much that I've already sent you some specifics for trips coming up in 2018. Looking forward to working with you to make some more memorable vacations!
