Dear Diana,

I want to publicly thank you for all that you do for, not only for me, but also for the people that I have referred to you over the past 10 plus years.

You have exceeded our expectations with your abilities as a CPA.

Along with all your tax preparation knowledge you have helped set up and incorporate businesses and given invaluable suggestions and guidance.

I know of several individuals and company owners who thought that they had an adequate tax advisor/preparer, and then they came to you, and you were able to "change their world" – They didn't know what they didn't know.

It is with thanks and confidence that I highly recommend you.

Sincerely,

A handwritten signature in blue ink that reads "Lonnie Anderson".
