Dear Lou,

Thanks to you and the rest of the Beltrami Law Firm for making the closing of our first home a seamless process. We expected to sign our names many, many times, but we were pleasantly surprised by how your team took the time to answer all of our questions. Everyone's enthusiasm and congratulations made that day even more exciting. Thank you for going above and beyond to help Leslie and I close our home quickly, while leaving no questions on the table!

Sincerely,
